

NEGRO "MAKES" A \$10 BILL

Clumsy Attempt to Raise \$1 Bill Lands the Man in Jail.

Special to The World.

MUSKOGEE, Oct. 11.—Charged with making an attempt to raise a \$1 bill to a \$10 bill, George Lewis, negro, is in the city jail under \$500 bond. Lewis was arrested yesterday by Bill Herring, deputy United States marshal, after a bank had discovered a clumsy attempt to "make" money.

In Lewis' rooms was found by Deputy Herring several pieces of sandpaper with crayon marks on them. These were used, it is claimed, in making the "O" marks and other changes on the face of the bill.

The prints are bound, striped and trimmed at the same time with a new kitchen utensil.
